Pam and myself, Derek and Jim F for EPA. I will need to check with the state on their attendees.

Thanks,
Robert H. Pope

> I understand. Unfortunately, my schedule is also tight. I will only be able to get to Brunswick about 3:30 PM on the 12th. It may not work for us to get together onsite this trip which is fine since this meeting is all about OU3. I'll plan on stopping by the site on the morning of the 13th just to check in on the CO2.
>

> I request a meeting in October to discuss the current state of groundwater and where we are with OU2. We need to start the scoping path forward with some honest conversations. Atlanta or Brunswick would be fine for a location. Please let me know if you can make that happen or if a date in November is better.
